

Parkes Hydraulic Services Pty Ltd are certified by Manuli Rubber Industries to manufacture hydraulic hose assemblies from 1/4" – 3" two (2) wire and extreme pressure hoses from 5/8 to 2" four (4) wire including large bore assemblies from 1-1/4" to 3" six (6) wire, 350 Bar up to 18 meters in length. All our assemblies conform to SAE and Mining Standards.

This entitles Parkes Hydraulic Services to claim to be the only manufacturer in the Southern Hemisphere of the large bore assemblies.
